## and what have you

by BOB CRAIG

The Board of Trustees of the Hamlin Independent School District have called an election for Saturday, May 11, for the purpose of getting the approval of the qualified voters of the district for an increase in the local tax rates. This column is being written as an effort to better acquaint the voters with the reasons and the need for this election.

First we need to look into the financial arrangement that the school is currently operating under and see why the need for the election has come up.

At the present time the school district is operating under the state law that limits the tax rate to a maximum of \$1.50. Out of this amount must come the funds for local maintenance and the money to meet the bond obligations of the school.

The school has been operating with a \$1.50 rate since 1959 and since that time has raised the valuations by 10 per cent—in 1961.

There are two main reasons for the past increases in the rate and valuations. These are the decline in oil valuations within the district and the increased cost of the district's share of the local school's program.

The valuations within the district have shown a steady decline since 1955 because of the poor condition of the oil industry within this district. This is a state-wide trend that shows no signs of changing. Discounting the 10 per cent increase in valuations in 1961, the valuations show a drop of over 2½ million dollars in the eight years. With the 1961 increase they still show a drop of over one million dollars, or an increase of only \$27,982 in total receipts during the past eight years even with the 25c increase in rate and the 10 per cent increase in valuations during this time.

During this same period what has happened to the local expenses? The cost of instruction, or teachers' salaries, within the district has risen during the eight years by \$120,499—from \$191,892 to \$312,391. Part of this additional expense has been met by an increase in the amount of money received from the state's program. The state's share in the local program has increased during this same period from \$128,688 to \$189,407—this is an increase of \$60,719.

During the past eight years the teachers have been granted two raises on the state level, one for \$400 and one for \$800. The teachers also receive a small increase in salary for every year of service up to a certain level. In addition the school system now has five more teachers than it had eight years ago. Because the school system has found the need for more teachers than the schedule calls for the district receives no aid on 5½ of the 55 teachers employed. This accounts for part of the increased load on the local district.

Also during this period the voters approved a bond issue to build the gymnasium that caused the district to increase the amount of money to be used to retire the school's bonded indebtedness. At the present time 30c of the \$1.50 rate is being used to take care of this indebtedness. This rate will have to remain at this level for two more years and then can drop if no more bonds are issued.

What can the board do to meet the increased costs of the district's schools? The board issued a statement that said that they had three choices: cut expenses, equalize valuations, or raise the tax rate. They chose to ask the voters to raise the rates because they felt that this was not the time to lower the quality of education offered our young people and that the equalization of the valuations was not the answer.

How can the board raise the

## HAMLIN BANDS TAKE HIGHEST HONORS AT SAN ANGELO

Both the Hamlin High School and Junior High School Bands, under the direction of Tim Jones, received Sweepstake awards at the University Interscholastic League competition held in San Angelo Friday.

This is the first Sweepstake Award ever won by the high school band in the U. I. L. competition. The concert and sight reading phases of the three part program were held at Central High School in San Angelo with 59 bands from Region II participating.

The other division I rating was awarded the Piper Band at Fair Park Stadium in Abilene last November when the marching competition was held for Region II.

Fifteen high school bands competed for the honors in Class AA, and the local band was the sole sweepstakes winner. There were only four other groups to attain the Sweepstakes in the high school competition. They were Central High of San Angelo, 4-A; Snyder High School, 4-A; Sweetwater High School, 3-A and Ozona, class 1-A.

In all there were only eight sweepstakes from the 59 bands competing.

The Junior High School Band was one of the three class 1-C bands competing for U. I. L. honors and was the only one to receive a division I rating in any event. They rated a division I in both concert and sight reading, and returned home with a special award trophy.

These two bands will be presented to the public in concert at the Fourth Annual Par-

ade of Music on May 9 at 7:30 p.m. in the High School Auditorium. The contest music of both groups will be played at this time along with other program music including the Stage Band and the Fifth and Sixth grade bands.

Individual recognition awards will be presented at the concert and all trophies will be given to the school.

Tickets for the Parade of Music are now on sale at 50c each and may be purchased from any band student. Mr. Jones urges every one to buy a ticket and attend the concert. "We would like to have a full auditorium to show support and appreciation for all the hard work done by the band students during the year," said Jones.

## HHS COACHES TO OPERATE LOCAL POOL

The Hamlin Foundation, governing group for the Hamlin Swimming Pool, met Monday evening in the office of the Hamlin Board of Community Development to make plans for the upcoming swimming season. The Foundation is composed of one representative from each of the 16 civic clubs in Hamlin.

New officers elected include Dewey Nunley, president; Lelton Clifton, vice president; and Mrs. B. O. Bell, secretary-treasurer.

Jerry Larned and Sam Walter, coaches in the local schools, were selected to be the operators. They are planning a complete program of swimming activities.

A general clean-up is planned as the pool will be cleaned and painted and the grounds will be cleaned. Other improvements will be made in the ladies' dressing room and the entrance to the dressing rooms will be changed.

The children's wading pool will be closed.

Benches are being donated by local businessmen to be used at the pool.

## Wheat Producers Meeting Set Here Tonight at Oil Mill

All wheat producers of the area are invited to a meeting at the Mid West Cooperative Oil Mill's Guest Cabin tonight (Thursday) at 8 p.m. to hear the 1964 wheat program explained.

Frank K. Mitchell, office manager of the Fisher County Agriculture Stabilization and Conservation Service, will be the speaker. The meeting will be open to all wheat producers of this area.

## BRUNDAGE RETIRES AS W.T.U. MANAGER HERE AFTER 22 YEARS

B. M. Brundage, West Texas Utilities manager of the Hamlin office for the past 22 years, retired from active service with the company on May 1. Ned Moore, a service man for WTU in Hamlin since 1947, assumed his duties as manager, following the retirement of Mr. Brundage. The announcement of the change in personnel was made today by District Manager Russell Crowover of Stamford.

His long career with WTU began in 1928 when Brundage resigned his job with the Texas Company and was employed as a local manager in Rotan. He has been serving as assistant manager of the Stamford District since 1945, as well as manager in Hamlin.

Born in New York in 1898, Mr. Brundage moved to Shreveport, Louisiana, in 1915

where he was employed by the Texas Company for two years. He was transferred to West Texas in 1917 and was working in Baird when he resigned to join West Texas Utilities Company.

During his 22 years residence in Hamlin, Mr. Brundage has been one of Hamlin's leading citizens. He served continuously as a member of the Hamlin City Council from April, 1946, until April, 1953, and was elected Mayor in 1950.

In 1955 he was named Hamlin's "Man of the Year." While he was serving as Mayor, the City Council made water extensions to 36 city blocks with 6-inch pipe, and 19 fire plugs were added to several sections of the city. Several thousand feet of 2-inch water line extensions were made in the Holman Addition.

All choirs combined for the closing concert program.

## Sunset Baptist Calls Rev. McLellan As Pastor Here

The Rev. Robert McLellan of Stamford has accepted the call as pastor of the Sunset Baptist Church and assumed his duties this week. This is his first pastorate.

Ordination services were conducted for the Rev. McLellan Sunday afternoon at the East Bethel Baptist Church in Stamford. Participating ministers were Rev. James Woods of Aspermont, Rev. Harold Johnson of Clyde, Rev. James Rogers of Snyder, Rev. Don Colton of Stamford, Rev. James Walker of Abilene, and Rev. C. J. Moore of Altus, Oklahoma.

The Rev. Moore gave the charge and the ordination sermon.

A resident of Stamford since 1948, the Rev. McLellan has been employed at West Texas Utilities for the past four years. He and his wife, Norma, have three children, Jerry, 11, Larry, 10, and Kathy, 2. They plan to move to Hamlin at the end of this school term.

## Flower Shop Sets Open House May 4

The Hamlin Flower Shop will have open house Saturday in celebration of the complete remodeling of their building. Coffee and punch will be served all day and there will be gifts for everyone with registration for special door prizes.

Mrs. H. W. Madden and Mrs. Billy Joe Wilson, owners and operators of the shop, have been in business here since 1956.

The interior of the building has been completely remodeled with a new ceiling, floor, light fixtures, display cases, and a new heating and cooling system. The outside front of the building was changed.

Several new lines of merchandise have also been added.

## HERALD TO PRINT HALF DAY EARLY NEXT WEEK

Next week's issue of the Hamlin Herald will be published one-half day early, therefore all deadlines have been moved up by one-half day.

News matter deadline will be 5 p.m. Monday, May 6, for happenings through that time. Tuesday activities should be reported by noon Tuesday.

Advance news stories should be in the office by 12 noon Friday. This includes stories published preceding the event.

Advertising should be in by 12 noon Tuesday. Classified closing time will be 5 p.m. Tuesday.

## Graveside Rites Held Saturday for Lawlis Infant

Graveside rites were held Saturday afternoon at Hamlin East Cemetery for Terry Joe Lawlis, infant son of Mr. and Mrs. Calvin (Buddy) Lawlis of Anson. Officiating ministers were the Rev. James Woods, pastor of the Central Baptist Church in Aspermont, and the Rev. Frank Codrington, pastor of the Neinda Baptist Church.

The baby was born at Hamlin Memorial Hospital April 24 and died there early Saturday morning.

Survivors include the parents; one brother, Ricky Hal, of the home; maternal grandparents, Mr. and Mrs. Joe Bonds Jr. of Hamlin and the paternal grandmother, Mrs. John Lawlis of Roby; the great grandparents, Mr. and Mrs. Gatis Rich of Mt. Vernon, Mrs. Jones of Leaveland, and Mr. and Mrs. Joe Bonds Sr. of Hamlin.

## Merkel Pair Take Top Honors in Bridge Tourney

Results of the Saturday bridge tournament sponsored by the Hamlin Duplicate Bridge Club have been announced by the reporter for the club, Mrs. Starr Inzer.

Mrs. Floyd Briscoe and Mrs. W. O. Willbanks were first during the afternoon session.

Roy Dalziel of Merkel and Lt. John Potter of Dyess Air Force Base were first at the night session and also won the first place trophy for the overall sessions.

Second place overall trophy was won by Mrs. Raymond Bishop and Mrs. Ed Jay, both of Sweetwater.

Mrs. M. L. Smith and Mrs. W. L. Hunter Jr. were winners of the third place overall trophy.

The tournament was held in the primary cafeteria with the first session at 1:30 and the second session at 7:30 p.m. following the dinner.

Proceeds of the tournament, attended by 54 persons, will go to the American Contract Bridge League Charity Program's two designated beneficiaries, the Institute of Logopedics and the National Multiple Sclerosis Society.

## Miss Robertson Wins Fire Poster Contest at School

During the regular assembly program at Hamlin Junior High School Wednesday morning, C. L. White, Hamlin Fire Chief, presented awards to winners of the Fire Prevention Poster contest, which was conducted earlier in the year.

Revonna Kay Robertson, 8th grade, received first place; Becky Martin, 6th grade, second place; and Sally Carlton, 7th grade, third place.

Their posters and others chosen by Mrs. C. Weldon Griggs, junior high art instructor, were sent to Austin to be judged in state competition on May 1. Judging is on the basis of originality, neatness, and artistic ability.

The local contest was sponsored by the Hamlin Fire Department and on the state level by the State Insurance Commission.

Local judges were Mrs. E. N. Jenkins, Mrs. S. C. Ferguson and Phil Dye.

## Rotan Minister To Hold Church of Christ Meeting

Loy Mitchell of Rotan will hold a series of gospel meetings at the Hamlin Church of Christ May 5-12. The Sunday services will be at the regular time. Week day services will be at 7:30 p.m. Thomas E. Cudd, the local preacher, will preach at Rotan both Sundays of the meeting.

Mr. Mitchell, a native of Lawrence, Kansas, graduated from Lawrence High School after which he attended Central Christian College in Bartlesville, Oklahoma. He completed the B. A. Degree at Abilene Christian College in 1958. At present he is studying toward his M. A. Degree at A.C.C.

He and his wife, the former Donna Taylor, have three children, Stanley, 6, Nancy, 4, and Marcia, 1.

Before moving to Rotan he preached for four years in Southern Rhodesia, Africa, and they plan to return to that country in 1964. He has also preached for churches at Wilmington, Kansas; Centralia, Oklahoma; Timber Hill, Oklahoma; Skiatook, Oklahoma; Altamont, Kansas; and Kamay, Texas.

## Officer Installation Set Today by P-TA

The Hamlin Parent-Teachers Association will meet today (Thursday) at 4 p.m. in the Primary Cafeteria for the closing meeting of the year. New officers will be installed. Theme for the meeting is "Dedication through P-TA Service."

Entertainment will be presented by the third grades.

A social hour will follow the meeting.

## Baseball Sunday

Crains Crankshaft Grinders defeated Hamlin's nine Sunday in a double header, 7-1 and 7-4. These two teams will meet again this Sunday at 3:00 at the local ball park.

## SCOUTS TO EXHIBIT CRAFTS AND SKILLS HERE SATURDAY, 2 TO 5

The Boy Scouts of Troop 43 and the Cub Scouts of Pack 43 are making final preparations for the annual Scout Exposition to be held Saturday in the Pope Building, 111 South Central, formerly occupied by Joe Hudspeth. The various booths and displays will be open to the public from 2 p.m. until 5 p.m. The booths will be a representation of the work done by the scouts. Guy Weaver is local chairman.

Tickets are 50c each and may be purchased from any Cub or Boy Scout. Children of grade school age will be admitted free with their parents.

The boys are working toward prizes for the ticket sales. The prizes range in value from an Exposition patch for the sale of five tickets, to a trip to "Six Flags" for the sale of 150 tickets. Weaver stressed

the importance of the support of the Exposition and urges citizens of Hamlin to purchase their tickets from the boys rather than at the door so they will receive credit for the sales.

The Scouts will be actively demonstrating and explaining to the public the varied skills and interests of the scouting program.

Booth exhibits for the Cub Scouts will include: Cubbing At Home, Den 1; Paper Craft, Den 2; Collections, Den 3; Den Games, Den 4; Basket Weaving, Den 5; Handicraft, Den 10.

The Scout Patrol demonstrations will include: Cooking, Hawk and Wolf Patrols; Physical Fitness, Rattlesnake Patrol; First Aid, Beaver Patrol; and Knot Tying, Eagle Patrol. They will also have a complete camp site erected, but this will not be judged. It is for demonstration only.

Scout dads and the Hamlin Jaycees erected the booths using material furnished by Rockwell Bros. Lumber Company. The Jaycees will also operate the concession stand and turn over the profits to the scouts, to be equally divided between the Cub Scouts and the Scouts.

All proceeds from the Exposition will remain within the Chisholm Trail Council, of which Hamlin is a part.

A 40 per cent commission from the ticket sales will be returned to the local units. The Council will pay all expenses for the construction of the booths, not including the decorations. The remainder of the proceeds will be given to Camp Tonkawa, which is used by the local scouts each summer.

## MAYOR SETS MAY 6-11 FOR CLEAN-UP

Residents are again reminded that clean-up week is only a few days away as May 6-11 has been set aside for this special week by Mayor John V. Howard Jr.

In a proclamation issued here last week designating the clean-up period, he said, "The cooperation of every man, woman and child is necessary to make a success of this project."

He also stressed the importance of cleanliness and its importance to the health and beauty of the community.

Special pick ups will be made by the sanitation department on May 13 through 18. It has also been noted that the trucks will not follow a set routine for the pick up so citizens should have all trash ready on Monday and not wait until the truck is in the neighborhood to get it ready.

## Camp Fire to Hold Bake Sale Saturday

A Bake Sale, sponsored by the Camp Fire Leaders Association will be held Saturday beginning at 9 a.m. in front of McDonald's Department Store.

The Sale is a part of the fund raising drive for the Camp Fire program, and proceeds will be used to pay off debts following the purchase of the two lots adjoining the Blue Bird Hut and the paving of the street in front.

If anyone would like to order a cake, pie or candy in advance call SP 4-1628, SP 4-1771 or SP 4-1574. Another sale will be held on May 11.

## COFFEE SATURDAY TO HONOR TATE MAY FOR ANNIVERSARY

May 5, 1963, will be an important day in the life of Tate May, chairman of the board of directors of the Farmers and Merchants National Bank, as it marks the 50th Anniversary of his career in banking in Hamlin.

In honor and recognition of the occasion, the bank will host a coffee Saturday morning from 9 to 12 a.m., during regular banking hours.

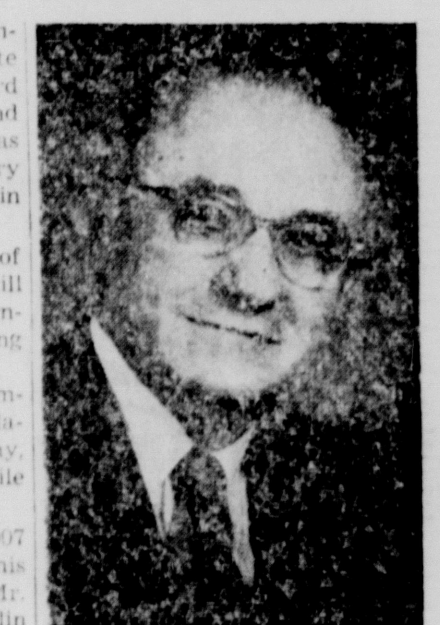

Mr. May was born September 21, 1896, in Sumter, Alabama. His father, M. P. May, was engaged in the mercantile business in Cuba, Alabama.

He came to Hamlin in 1907 to make his home with his aunt, Mrs. J. W. Ezell and Mr. Ezell. He attended Hamlin Public Schools and on May 5, 1913, he started to work as office boy in the First National Bank which was located at the bank's present location.

In September, 1919, he went to Fort Worth and worked for the Continental Bank and Trust Company for a short time. Later that year, in the fall, he returned to Hamlin and was employed as assistant cashier in the First State Bank which had been purchased by his uncle, Mr. Ezell, and other associates. Mr. May was later elected as cashier. The bank was located in the present City Hall building.

In 1925 the First State Bank was nationalized and received a national charter as the Farmers and Merchants National Bank.

The First National Bank was purchased in 1934 by the Farmers and Merchants National which continued to oper-

ate in the same location until 1950.

Mr. May elected president of the bank in 1944 following the death of his uncle, Mr. Ezell. At this time W. C. (Ted) Russell was elected vice president. Russell had been associated with the bank since 1919 and at this time he and Mr. May purchased a major interest in the bank from Mrs. Ezell.

After extensive remodeling the bank moved into the present building on the corner of Southwest Third and South Central and Mr. May was to work again in the same location as he had in his early youth.

Mr. May continues to take an active interest in the bank —(Continued on Back Page)

## Forty Years Ago

There has been three very interesting programs at the high school auditorium this week. The first was on Wednesday night when the teachers and pupils under the direction of Mrs. Neff of the Music Department and Miss Culbertson of the Expression Department presented a benefit number, called "College Days." Thursday morning five departments of the school was represented in the weekly chapel program. Thursday evening at eight thirty the Music Department gave a very elaborate program free to all.

In as much as there has been some rumor out that our school term would be cut short the Board had a meeting on the 13th inst. and went thoroughly over the status of the various funds and money that we now have and will get later, and find that our finances are in better shape than they have been for some time, owing to the fact that we have succeeded in the past few months in collecting some \$3500.00 of delinquent taxes and will continue to collect more yet. We therefore state that our present term will run the entire Nine Months with a possible shortage of Two Weeks.

## GOING UP...

A building is being erected. It is made of strong materials, steel and concrete. The foundation is firm and deep. The edifice is built to endure.

We need to build our homes to endure. They need a strong foundation. They need to be built on the rock of Christ. Psalm 127:1 reads, *Except the Lord build the house, they labour in vain that build it.* Attend church regularly that your house may be instructed in the ways of the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

By MRS. ELMER JOINER

LOCAL FIFTH GRADE TEACHER  
GIVEN P-TA LIFE MEMBERSHIP

Mrs. Earl Brown, fifth grade teacher here, was one of five persons to receive life memberships in the Texas Congress of Parents and Teachers at the district conference held here last Wednesday at the First Baptist Church.

Mrs. Brown has been an elementary teacher for 33 years. She has taught the fifth grade in the Hamlin schools for 16 years.

A native of Mt. Vernon in Franklin County, Texas, she attended school there and was graduated from East Texas State Teachers College in Commerce. This being a sub-college, she was able to get a certificate to teach following graduation. She started her teaching career at the age of 19 in an elementary school in Wood County.

She received a bachelor's degree from McMurry College, Abilene, and then in 1955 she received her master's degree, also from McMurry.

The former Leone King, she was married to Earl Brown in Wood County in 1928. In 1929 they moved to Jones County where Mr. Brown started farming at Neimda and Mrs. Brown began teaching in the rural schools in the Hamlin area. She taught in Boyd Chapel, Carpenter's Gap, Wise Chapel and Flat Top.

Mr. Brown was bookkeeper for the Hamlin Farmer's Co-op Gin of Hamlin for 12 years.

They are members of the First Methodist Church and Mrs. Brown is active in the Business and Professional Women's Club. He is a mem-

The Browns have one son, Dr. W. D. Brown, who is associate professor in the University of California, Berkeley, California. His wife, Dr. Alice Brown, is employed with the State Food and Drug Commission there.

Mrs. Brown's father, W. S. King, a retired farmer, lives with the couple at 151 N. W. Ave. J. Her mother died in 1942.

Although a full schedule leaves her with limited leisure time, she enjoys cooking and reading as a hobby.

Rogue to Show 'To  
Kill a Mockingbird'

An important milestone in the career of film star Gregory Peck took shape at Universal studios when Peck starred in the Pakula-Mulligan production, "To Kill a Mockingbird," based on Harper Lee's Pulitzer Prize novel.

His performance as "Atticus Finch," the Alabama lawyer and widower who teaches the pitfalls of injustice and prejudice to his two growing children, marks the first time in 31 starring motion pictures that Peck has appeared on the screen without any romantic vis-a-vis. Neither wife nor sweetheart will share a single scene with him in "To Kill a Mockingbird," scheduled to open Sunday at the Rogue Theatre.

Every one out this way is very happy over the rains which fell Friday, amounting to two and two tenths inches, then another two tenths fell Sunday morning early, giving us a good wet earth once again.

The high wind did some damage around over the community, from what we can learn Mr. and Mrs. Joe Ford were hit the worst, their barn and house both receiving extensive damage. Several old buildings were blown down, Woodrow Goodwin received some damage to his trailers and planter, the trailers being blown into his tractor and one into the house.

Having been gone over the week end, this reporter failed to get much of the news this week, but it was quite a shock to learn on Sunday, the pastor of the Fairview church, Rev. Derrel Lewis, had resigned as pastor. Since details are lacking, we hope to be able to report more about it next time.

Mr. Fuqua, father of Mrs. H. L. Ford, visited with them last week. Mr. Fuqua lives down Waco way.

Mr. and Mrs. E. A. Henry had quite a lot of company last week, Monday, Mrs. Henry's sister, Mrs. Obie Wright of Rotan, visited with her Tuesday, they had Mr. and Andrews, then over the week end the son, Mr. and Mrs. W. C. Henry and daughter, from Elgin was with them. Sunday visitors were Mr. and Mrs. Ed Verner and Mrs. Mary Sue Henry, all of Rule.

Linda Goodwin took part in the recital of Mrs. L. B. Baker's pupils last Tuesday night, held in the chapel of the First Baptist Church.

Mrs. Woodrow Goodwin and Linda, Mrs. Elmer Joiner went to Carlsbad, New Mexico, Saturday and returned Monday. They visited a sister, Mr. and Mrs. Elmer Smith, also while there visited with a niece, Mr. and Mrs. Andrew Rice and children, which included a brand new son.

Enroute to Carlsbad they went by Andrews and visited with Rev. and Mrs. Doyle Combs and children, a while Saturday, Rev. Combs was in the process of ending a weeks revival in his church, the Calvary Baptist, in Andrews. They also visited with a nephew of the Goodwins in Andrews, Mr. and Mrs. Orval Finley and boys.

Mrs. Flavel Holmes is in Midland this week helping to entertain the little new grand daughter, Melody Ann Holmes,

daughter of Mr. and Mrs. Jimmy Holmes.

Mrs. Raleigh Bond attended the recital of Mrs. Baker's piano pupils, Tuesday night.

The old home place of the Herbst family has sold again, this time to John Green of Hamlin owner of the Dodge Motor Company.

Rev. and Mrs. Derrel Lewis and children, were dinner guests of Mr. and Mrs. Fred Rosenbaum Sunday.

Mr. and Mrs. Winslow Gray visited with Mr. and Mrs. Otto Stenke, of the old Dovie community, Sunday.

Mrs. Bill Newland is spending this week in Pasadena, Texas, with her daughter and family.

Several from out our way, Mr. and Mrs. Raleigh Bond, Mr. and Mrs. H. L. Ford and Mr. and Mrs. Winslow Gray, attended the singing at Tuxedo last Saturday night.

Corvair Monza Club Coupe

## Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

AT YOUR CHEVROLET DEALERS

So think about those trips to the beach this summer, those bright sunny days and balmy moonlit nights.

And besides, looking at it from a very practical point of view, it's Trade-In Travel time right now at your Chevrolet dealer's. He's got some beautiful buys.

But you had better hurry before somebody muscles in ahead of you. Spring's here. Summer's coming fast. And with these sporty good-looking Corvairs selling the way they are, he who hesitates will want to kick himself.

## DOUBLE RING CEREMONY HERE UNITES PHYLLIS HOLLIS, S. L. RACKLEY

Mr. and Mrs. Sammy L. Rackley are making their home in Rotan following their marriage here April 20. The 8 p.m. double ring ceremony was read in the Hamlin Foursquare Church by the pastor, the Rev. Spencer L. Liles.

The bride is the former Phyllis Marie Hollis, daughter of Mr. and Mrs. S.C. Hollis. The bridegroom is the son of Mr. and Mrs. Martin Rackley of Rotan.

Mrs. Marvin Carlton was organist and De Gwen Sanderlin Parsley was soloist.

Yvonne Hollis of Lubbock, cousin of the bride, was made of honor. Bridesmaids were Mrs. Jerry McCright of Roby, cousin of the bride, and Glenda Wright.

Debra Sue Hollis, sister of the bride, was flower girl. The bridegroom's brother, Gary Martin Rackley of Rotan was ring bearer.

Corky Taylor of Rotan was best man. Buch Holland, cousin of the bride, and Bill Johnson were groomsmen and ushers.

Candlelighters were Marilyn and Carolyn Harrison. Mr. Hollis presented his

daughter in marriage. She wore a gown of white bridal satin. The fitted bodice featured a scoop neckline outlined with Chantilly lace. An overskirt of imported veil accented the full skirt which fell into a chapel length train. Her head-dress was a jeweled crown with a veil of French illusion edged with Chantilly lace. Her bridal bouquet was a white orchid surrounded with Frenched carnations.

The made of honor's shawl dress was of white cotton brocade. She carried a long stemmed white carnation. Her head-dress was green and white designed designed as a large rose.

The bridesmaids wore sheath dresses of red satin brocade with red silk organdy overskirts. They wore white floral headpieces and carried long single red carnations.

The reception was held in the home of the bride's parents. Members of the houseparty were Mmes. Donald Young, Bill Johnson, Lester Hollis of Lamesa and Pearce Holland.

For a trip to Palo Duro Canyon State Park near Canyon, Texas, the bride chose a red white and blue linen dress and white accessories.

The bride is a 1960 graduate of Hamlin High School where she was an honor student, active in the band, pep squad, Future Homemakers of America, the Library club, and the annual staff. She is now a member of the Hamlin Business and Professional Women's Club. She attended Texas Tech and is employed by Carl Murrell Chevrolet Co.

Rackley attended Rotan High School where he was active in football and baseball. He is now employed in Rotan by White's Well Service of Sweetwater.

Mr. and Mrs. Rackley, the bridegroom's parents, hosted an informal reception at the church following the rehearsal Friday evening.

## Piano Students Audition for Guild

Nine piano students of Mrs. J. W. McCrary participated in the National Piano Guild Auditions Saturday at Hardin-Simmons University in Abilene.

They received local and district honors with excellent ratings, according to the judge, Miss May Etts of New York City.

The National Guild of Piano Teachers was organized at Hardin-Simmons in 1925 by Dr. Irl Allison Jr. This year 60,000 piano pupils all over the United States will participate in this event, receiving certificates and gold pins. Also, they will be given a one year membership in the National Fraternity of Student Musicians.

Local participants were: Karen Jackson, Reba Jackson, Mark Madden, Mike Owen, Mignon Williams, Latrese Williams, Denise Preston, Susan Wilder and Fodie Kae Sonnenburg.

## JACK HAMES CONDITION BETTER BUT HE MUST REMAIN IN BED

Jack Hames' condition is considered much improved, according to reports received last week, although he will require a longer convalescent period than first predicted. He was severely injured in an accidental fall near Midland February 8 and was hospitalized there until March 5.

Since that time he has been confined to bed at his home. His injuries included a broken hip and back, fractured pelvis and broken left arm and leg.

Hames returned to the Midland Memorial Hospital Wednesday for x-rays and examinations to determine his present condition.

According to Mrs. Hames, the broken bones are mending although his back is not completely healed and he must remain in bed for at least another three weeks.

Since Hames is not able to sit up he was driven to Midland in a station wagon loaned to them by Lawrence Chevrolet of Anson and driven by Lloyd Davis of Aspermont. Mr. and Mrs. Hollis Madden let Mrs. Hames use their station wagon for the return trip Saturday.

A total of \$560 has been contributed to a fund, sponsored by the Hamlin Herald, to assist with family expenses until Hames is able to return to work.

Three of the Hames' five children will enter hospitals within the next six weeks. Two of the girls will be admitted to a hospital in Fort Worth May 15. Deborah will undergo surgery for bone tumors and Kathy will receive

corrective treatment for deformity of her legs. Patty, who was critically burned last summer, will return in June to the Burn Center in San Antonio for further plastic surgery.

Hames will have more x-rays at the end of the three week period. "Then possibly he will be allowed to be up with the aid of a back brace," said Mrs. Hames.

### Baptist Youth Rally Planned Saturday

The Jones County Association Youth Rally will be held at Hanna Baptist Church Saturday evening at 7:30.

A special program is being planned which is directed to senior high school students. All seniors are urged to attend. The group will meet at the First Baptist Church at 7 p.m. to go to the meeting.

Gold Coast, West Africa, is known as the "White Man's Grave."

CHARLES T. RUST

### Anson Man Named Area Federal Crop Insurance Rep.

Charles T. Rust of Route 3, Anson, was recently appointed as county representative for

the Federal Crop Insurance Corporation it was announced today by State Director Ben A. Jordan, Jr., of College Station.

Following his appointment as Fieldman, Rust attended a training meeting in Dallas, to discuss improved, faster methods for making crop loss payments to insured farmers in the event of disastrous damage. It is a program of the U. S. Department of Agriculture offered to help protect their big crop production investment against all such risks as drought, wind, hail, insects, freeze, excessive moisture, heat and many others.

### Brush Control Demonstration Set

There will be a Brush and Prickly Pear Control Demonstration on the Woodrow Simmons place one mile east of Anson at 9:00 a.m., Friday, May 3, according to information this week by County Agent Kirby Claton.

The demonstration will con-

sist of trunk base treatment, using 2-4-5-T and diesel. Three different methods will be demonstrated, using the small 3 gallon napsack sprayer.

All interested farmers and ranchers are invited to attend.

## Cattle Prices to Remain Down Says Market Specialist

College Station—The recent drop in fed cattle prices has caused considerable concern among cattlemen as to the prospects for the near future, says Ed Uvacek, livestock marketing specialist with the Texas Agricultural Extension Service.

The average weights of cattle slaughtered under federal inspection so far this year, have been the heaviest since early 1961. This was caused by the low number of cows slaughtered along with heavier weights of fed cattle coming from feedlots, explains Uvacek.

Even though the nation's population and income levels continue, the effect is not enough to offset the future increases in beef supplies.

Marketings of fed cattle will be very heavy in the West and the Corn Belt during the next three or four months, he says. The April-June quarter should be up about 10 percent from levels of a year ago.

Uvacek says that forecasts indicate strengthening fed cattle prices in the West during the late summer and fall.

In view of this situation, feedlot management should consider holding down capital investments and should market fed cattle as soon as they reach the desired grade, advises Uvacek.

## COMMUNITY

Welcomed rains fell in the Old Glory area Friday and Saturday. Amounts that were reported varied from 2 to 4 inches. The first rains that fell Friday afternoon were hard and quick and put out much needed stock water. These rains were accompanied by strong winds though and loose materials were blown about. Some things that were not loose, such as outhouses and trees were also blown over. From about 4 p.m. until nearly 7 it was nearly as dark as night and with the electric current disrupted there was little that could be done except to watch the storm. The hard rain did much damage to furrows and terraces. Most of the water had soaked down by the next morning. Additional showers fell during Saturday in some places and Old Glory had a nice shower early Sunday morning.

The School Board members, their wives and other school personnel entertained the teachers and their wives and husbands with a picnic supper Tuesday night. The Yard Party was held at the Garrett Spitizers'.  
Delicious barbecue chicken, potato salad, beans, home-baked bread and homemade pies were served to the thirty adults present. Dominoes, 42 and just visiting were enjoyed following the meal. The occasion was the final Faculty-Trustee Party in the capacity as trustee for Ansel Sawyers who did not seek re-election. His last child graduated last year and thus terminates a tenure of thirteen years of continuous service to the community as a member of the Board of Trustees. Mr. Sawyers will be replaced by Mick Myers who was elected last month.

Mrs. Beno Herttenburger was hostess for the regular meeting of the Variety Club at her home last Thursday, April 23 at 2 p.m. Canasta was enjoyed by the eight members present. A delicious refreshment plate was served by the hostess. The next meeting will be with Mrs. Mick Myers.

SCHOOL  
Fun Festival plans that started some time back have been shifted into high gear for final preparation. Each class is working diligently to make its booth profitable and worthwhile for an enjoyable evening. Food sales will start about 6:30 Friday and other booths will then be open.

There will be the Grab Box, the Country Store, A Bean Jar, Fish Pond, etc. All of these will add to the carnival atmosphere. Cake Walk and Bingo, sponsored by the Juniors and Seniors respectively, are considered the big events. The public is invited to attend. There is no admission charge. Door prizes will be drawn for and given away at 10 o'clock.

Remember: Friday night, May 3—Come on out to the Old Glory Fun Festival.  
The Junior-Senior Banquet for 1963 is now past history. The junior class, with their sponsor, Mrs. Cecil Klump, did a superb job in every little detail. The Western theme was cleverly presented, with unusual and colorful decorations.

Ceramic western pieces decorated the head table. Weather-beaten signs pointed to Boot Hill. Old Glory, Trails West, etc., and tumbleweeds were "decoratively" nestled around the bases of the signs. The food carried out the theme as barbecue beef, beans and potato salad were featured. Place Cards were individually done and most included a picture of the person.

The Trails West led to the Junior-Senior Spread in the Old Glory High School Territory. Trail Boss was Bullmoose (Donald) Boles. The invocation was given by Mr. Eddie Matthews, minister of the Old Glory Church of Christ. Welcome was given by Quickdraw (Terry) Sellers and the Response by Tenderfoot (Tim) Jennings.

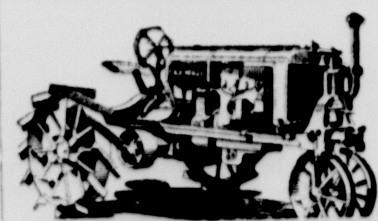

Lopin' Larry (Quade) gave a humorous prophecy concerning the seniors and their trip which is planned to include Colorado and Arizona and points in between. Hopalong Helen (Lowack) gave the Last Will of the Seniors. Prairie Music included a pantomimed number by the Cowpokes (Bullmoose Boles, Quickdraw Sellers, Lopin' Larry, Deadeye Dalton and Bow-Legged Boles.) Then Deadeye Dalton (Gill) played on his guitar and sang several numbers.

Bernard Buie, of Stamford, presented a most interesting talk of history of the west, especially our own area. He very forcefully climaxed his talk with the sage remark that "we inherited what we have but not what we are" and reminded the young folks and others present that we must appreciate our culture and conveniences.

The benediction was given by Tom Pritchard, teacher at Old Glory.  
Old Glory 4-H'ers did themselves proud last Saturday at District Contest events at Wichita Falls.

In Junior level the following places were captured: first, Judy White, public speaking; first, Reva Letz and Judy Sander, vegetable preparation; first, Rita Baldree and Brenda Palmer, poultry marketing; second, Mike Baldree and team, poultry judging; second, Steve Letz and Weldon Spitzer, electric; fifth, Herby Woodridge, tractor driving; seventh, Kenneth Jones and Jimmy Leverett, safety.

At the senior level: first, Nancy and Marvin Vahlenkamp, poultry marketing; second, Sharon Leverett, public speaking; second, Donna Pier-

## Jones Residents Receive \$129,657 In S.S. Benefits

Monthly old-age, survivors and disability insurance benefits in Jones County now top \$129,657. R. R. Tuley, Jr., District Manager of social security in Abilene, said today on releasing his annual county benefit data report.

The new monthly figure represents an increase of 12 percent in beneficiaries and 14 percent in dollar amount over the corresponding period last year.

"This increase can be attributed to the recent changes in the law and to the growth of our aged population," Tuley said. "As most of it is spent for food, clothing, and shelter, there is no longer any doubt that social security benefits are helping to stabilize the income and spending power of many residents in Jones County."

More people in Jones County, he said, could draw security benefits if they knew more about the law, and for that reason they are urged to visit or call the local social security office whenever they have a question concerning their benefits or responsibilities.

As of January 1963, in the nation at large, more than 18 million beneficiaries were receiving payments at the rate of \$14.5 billion per month.

The following table shows the number and amount of each type of monthly benefit paid in Jones County, as of December 31, 1962.

## JONES COUNTY HISTORICAL COMMITTEE TO MEET MAY 14

A public meeting of all people of Jones County interested in the work of the Historical Survey Committee will be held Tuesday, May 14, at 7:30 p.m. in the district court room in Anson. Dr. Rupert N. Richardson of Abilene, president of the Texas Historical Survey Committee will be the speaker.

The Jones County Historical Survey Committee named by County Judge Leon Thurman met for organization April 16.

Members present were: Fred B. Moore, Sr., Hamlin; Bernard Buie, Stamford; Miss Hybernina Grace, Miss Arrie Barrett and Ed Sprowls, Anson.

Officers elected were: Bernard Buie, Chairman; Miss Hybernina Grace, Secretary.

It was pointed out at the meeting that every county has a unique history and Jones county is no exception. The county committee will be concerned with historic buildings, museum pieces, markers and records of the county, pictures of early buildings, etc.

"It is hoped that people throughout the county will become interested and will be willing to assist in making a

complete a survey of the county as possible," Mr. Buie said. The following committees are being considered:

1. Location of Jones County Historical Sites.

2. Location and Marking of War Veteran Graves in County. (Markers are available where Vet has no permanent burial site).

3. Financing of Jones County Historical Survey.

4. Committee on Gathering and Compiling Historical Information and Maps.

5. Overall committee on which items should first be attempted.

Miss Grace has been asked to serve as chairman of the committee "For the Location of the Proper Jones County Historical Sites, which should be marked and for the location Graves from the Civil War to date.

In a letter to Miss Grace the county chairman said:

Dear Miss Grace:

In view of your unquestioned position as the best authority on the history of Jones County — it is a pleasure to ask if you would be able to serve as chairman of the committee "For the Location of the Proper Jones County Historical Sites, which should be marked, and for the location and marking of War Veterans Graves from the Civil War to date."

as he serves as chairman of the board of directors, a new post created in 1960. Mr. Russell was elected president at this time.

In June, 1960, controlling interest of the bank was sold to the Clifton brothers, Floyd of New Mexico and Leldon of Iran.

Mr. May and his wife, the former Milta McIntosh, were married May 9, 1921, in Hamlin. She was a teacher in the local school at that time. A graduate of Hardin-Simmons University, she has taught in grade schools and in the high school here and was also a teacher of English at Hardin-Simmons University.

Both are active members of the First Baptist Church. Mr. May has served as chairman of the board of deacons three different years and at the time of the 1960 Stewardship campaign he was also chairman of the finance committee. During this time pledges were taken for the building campaign and the regular budget. The building campaign preceded the construction of the new sanctuary, chapel, offices and classrooms now being used.

He was also general Sunday School superintendent for 20 years.

Mrs. May is teacher for a ladies adult S. S. class and is also a frequent instructor for study courses. She is a member of the W. M. U. of the church. She is a member of the Woman's Literary Club here and the Woman's Club of Abilene.

Mr. May was the first president of the Hamlin Rotary Club when they received the charter in 1927. He is still a senior active member of the club. As a member of the Hamlin Board of Community Development, he has served as chairman of various committees. He has also been a member of the Masonic Lodge since 1917.

He served 12 to 15 years as Hamlin's Director of the West Texas Chamber of Commerce.

The Mays have one son, James Tate May, who is now attending the University of Montana working toward a Master's degree in English in preparation to teach English at college level. He received a degree from Baylor University Waco, earlier.

### Free Movies Here

During the month of May the managers of the Rogue Theatre, Mr. and Mrs. Darwin Barnes, have announced that they will be offering the public free movies every Thursday night.

Barnes stated that there will be no passes or tickets needed for the Thursday night shows. The theatre will open at 7 p.m. and the movie will start at 7:30.

Theodore Roosevelt discovered the Teodoro river in Brazil which newspapers called the River of Doubt until its existence was confirmed.

HONORED WITH DINNER HERE LAST TUESDAY—Mrs. D. W. Boren, 18th District president of Parent-Teachers Association, second from left, was honored with members of the District Board of Managers at a dinner in the primary cafeteria last Tuesday evening. The dinner was sponsored by the Hamlin Board of Education. Pictured are left to right, Mrs. J. W. Miller, state vice president from San Antonio, Mrs. Boren, Fred B. Moore, Jr., president of the board, Miss Aleise Cline, guest speaker, and C. F. Cook, superintendent of schools. The dinner was held the evening before the district conference Wednesday in the First Baptist Church. Guests attended from Paducah, Stamford, Rotan, Abilene, Anson, Haskell, Luaders, Aspermont, Girard and others.

### BRUNDAGE—

(Continued from Page 1)

Paint Creek watershed, the Hamlin Mayor saw a solution to his city's water problems and recommended the bonds be voted to provide a 12-inch water line from Hamlin to Stamford. This has assured the City of Hamlin an unlimited water supply from Lake Stamford.

Also, during his administration as mayor, Hamlin doubled the processing capacity of the filter plant and added meter shop equipment for cleaning and testing water. Radio telephone service for the control of pumping from Stamford was added. During the time Brundage served on the City Council, 38 blocks of six, eight and ten inch sewer line extensions were made. A 12-yard packer unit and quickway motorized equipment were added to the sanitation Department. One hundred and fifty street lights were added in new locations.

In addition to his many years of service as mayor and a member of the City Council, Mr. Brundage served as president of the Hamlin Rotary Club, is a past president of the Hamlin Board of City Development, and a former member of the Hamlin school Board.

Mrs. Brundage is the former Charity Dunlap of Baird. They are the parents of one daughter, Mrs. Ralph Worley of Richmond, Washington.

Mr. and Mrs. Brundage have made no definite plans at this time for the immediate future. Ned Moore, who assumed his new duties as the WFO manager in Hamlin on May 1, was employed by the company in 1941 and has been a resident of Hamlin for the past 16 years.

Born in Duncan, Oklahoma, in 1915, he moved to Albany with his family while still a small child. He attended the Albany Public Schools and was graduated from Albany High School in 1934 and attended Ranger Junior College. During his early life he worked on his father's ranch east of Albany. Before joining WTU, Moore worked in the Albany oil fields; worked for Southwestern Bell Telephone in Marlin as a serviceman; and returned to Albany in 1940.

His first job with WTU was at the Company's ice plant in Quanah. In June, 1942, he was transferred to Chillicothe where he worked as a serviceman until he joined the U. S. Army for service in World War II. Following his discharge from the Armed Forces, Moore returned to Albany where he engaged in the electrical appliance business for 1½ years and rejoined WTU in 1947 as a serviceman in Hamlin.

Active in civic affairs, WTU's new local manager is a past director of the Hamlin Rotary Club; president of the Hamlin Booster Club; and a director of the Board of Community Development; and secretary of Jones County National Foundation. He is a member of the First Christian Church.

Mrs. Moore is the former Ruby Pillans of Cross Plains. They were married in 1938 and are the parents of one daughter and two sons, Renee, now Mrs. Don Hymer, lives in Galveston where her husband is a medical student. The Hymer have a son, Michael, 3, and a daughter, Stephanie, 2.

Ned, Jr. is a graduate of Hamlin High School and is a sophomore student as McMurr

ry College in Abilene. The younger son, Nick, is a junior student at Hamlin High School.

Mrs. Moore is secretary in the office of the Hamlin Board of Community Development.

### WHAT HAVE YOU—

(Continued from Page 1)

rate when at the present time they are at the maximum allowed under the law they are operating under? It seems that this has become a problem all over the state and the Texas Legislature has passed a bill called Senate Bill 116 which gives the school trustees the right to call an election seeking to operate under the terms of this new bill.

The bill permits the trustees to set the rate for bond retirement at what ever level it takes to meet the bonded indebtedness of the school and to set the maintenance tax rate up to the maximum of \$1.50, depending upon the ratio of the bonded indebtedness to the valuations. In Hamlin's case it would be \$1.50.

This not mean that the district will automatically have a \$1.80 rate—30c for bonds and \$1.50 for maintenance—but that this is the ceiling and the board can set the rate at any level that it deems necessary as long as it does not exceed the \$1.50 rate for maintenance.

What would the rate for the coming year be if the voters approve this rate increase? It seems to be the consensus of the board at this time that an increase of 15c would take care of the school's needs. This would put the maintenance tax at \$1.35 and the bond tax at 30c, for a total of \$1.65.

How much is this going to affect the taxpayer? If you own a home that is valued at \$10,000, it is taxed at 30 per cent of the value or \$45.00 per year. A 15c increase would increase this by \$4.50 per year or 10 per cent.

### John Norton to Give Paper at Meeting

John Norton, of Oklahoma City, Oklahoma, son of Rev. and Mrs. Joe Norton, is to give a scientific paper at the American Convention of Microbiologists at Cleveland, Ohio, on May 6.

The paper, entitled "Oxidation of D-Alanine by Cell Membranes of Pseudomonas Aeruginosa," was based on scientific research Norton did for his Master's thesis at the University of Oklahoma. The paper is co-authored by Dr. Glen R. Bulmer and Dr. John R. Sokatch of the University of Oklahoma.

Norton has previously given the paper at conventions in Kansas City, Missouri, and Stillwater and Tulsa, Oklahoma. It is soon to appear in the scientific journal, "Biochimica et Biophysica Acta."

Norton is at present doing the microbiological research at the University of Oklahoma Medical Center in Oklahoma City.

## and what have you

by BOB CRAIG

The Board of Trustees of the Hamlin Independent School District have called an election for Saturday, May 11, for the purpose of getting the approval of the qualified voters of the district for an increase in the local tax rates. This column is being written as an effort to better acquaint the voters with the reasons and the need for this election.

First we need to look into the financial arrangement that the school is currently operating under and see why the need for the election has come up.

At the present time the school district is operating under the state law that limits the tax rate to a maximum of \$1.50. Out of this amount must come the funds for local maintenance and the money to meet the bond obligations of the school.

The school has been operating with a \$1.50 rate since 1959 and since that time has raised the valuations by 10 per cent—in 1961.

There are two main reasons for the past increases in the rate and valuations. These are the decline in oil valuations within the district and the increased cost of the district's share of the local school's program.

The valuations within the district have shown a steady decline since 1955 because of the poor condition of the oil industry within this district. This is a state-wide trend that shows no signs of changing. Discounting the 10 per cent increase in valuations in 1961, the valuations show a drop of over 2 1/2 million dollars in the eight years. With the 1961 increase they still show a drop of over one million dollars, or an increase of only \$27,982 in total receipts during the past eight years even with the 25c increase in rate and the 10 per cent increase in valuations during this time.

During this same period what has happened to the local expenses? The cost of instruction, or teachers' salaries, within the district has risen during the eight years by \$120,499—from \$191,892 to \$312,391. Part of this additional expense has been met by an increase in the amount of money received from the state's program. The state's share in the local program has increased during this same period from \$128,688 to \$189,407. This is an increase of \$60,719. During the past eight years the teachers have been granted two raises on the state level, one for \$400 and one for \$800. The teachers also receive a small increase in salary for every year of service up to a certain level. In addition the school system now has five more teachers than it had eight years ago. Because the school system has found the need for more teachers than the schedule calls for the district receives no aid on 5 1/2 of the 55 teachers employed. This accounts for part of the increased load on the local district.

Also during this period the voters approved a bond issue to build the gymnasium that caused the district to increase the amount of money to be used to retire the school's bonded indebtedness. At the present time 30c of the \$1.50 rate is being used to take care of this indebtedness. This rate will have to remain at this level for two more years and then can drop if no more bonds are issued.

What can the board do to meet the increased costs of the district's schools? The board issued a statement that said that they had three choices: cut expenses, equalize valuations, or raise the tax rate. They chose to ask the voters to raise the rates because they felt that this was not the time to lower the quality of education offered our young people and that the equalization of the valuations was not the answer.

How can the board raise the (Continued on Back Page)

## HAMLIN BANDS TAKE HIGHEST HONORS AT SAN ANGELO

Both the Hamlin High School and Junior High School Bands, under the direction of Tim Jones, received Sweepstake awards at the University Inter-scholastic League competition held in San Angelo Friday.

This is the first Sweepstake Award ever won by the high school band in the U. I. L. competition. The concert and sight reading phases of the three part program were held at Central High School in San Angelo with 59 bands from Region II participating.

The other division I rating was awarded the Piper Band at Fair Park Stadium in Abilene last November when the marching competition was held for Region II.

Fifteen high school bands competed for the honors in Class AA, and the local band was the sole sweepstakes winner. There were only four other groups to attain the Sweepstakes in the high school competition. They were Central High of San Angelo, 4-A; Snyder High School, and Sweetwater High School, 3-A and Ozona, class 1-A.

In all there were only eight sweepstakes from the 59 bands competing.

The Junior High School Band was one of the three class 1-C bands competing for U. I. L. honors and was the only one to receive a division I rating. In any event, they rated a division I in both concert and sight reading, and returned home with a special award trophy.

These two bands will be presented to the public in concert at the Fourth Annual Par-

## Wheat Producers Meeting Set Here Tonight at Oil Mill

All wheat producers of the area are invited to a meeting at the Mid West Cooperative Oil Mill's Guest Cabin tonight (Thursday) at 8 p.m. to hear the 1964 wheat program explained.

Frank K. Mitchell, office manager of the Fisher County Agriculture Stabilization and Conservation Service, will be the speaker. The meeting will be open to all wheat producers of this area.

## BRUNDAGE RETIRES AS W.T.U. MANAGER HERE AFTER 22 YEARS

B. M. Brundage, West Texas Utilities manager of the Hamlin office for the past 22 years, retired from active service with the company on May 1. Ned Moore, a service man for WTU in Hamlin since 1947, assumed his duties as manager, following the retirement of Mr. Brundage. The announcement of the change in personnel was made today by District Manager Russell Crowmover of Stamford.

His long career with WTU began in 1928 when Brundage resigned his job with the Texas Company and was employed as a local manager in Rotan. He has been serving as assistant manager of the Stamford District since 1945, as well as manager in Hamlin.

Born in New York in 1898, Mr. Brundage moved to Shreveport, Louisiana, in 1915

ade of Music on May 9 at 7:30 p.m. in the High School Auditorium. The contest music of both groups will be played at this time along with other program music including the Stage Band and the Fifth and Sixth grade bands.

Individual recognition awards will be presented at the concert and all trophies will be given to the school.

Tickets for the Parade of Music are now on sale at 50c each and may be purchased from any band student. Mr. Jones urges every one to buy a ticket and attend the concert. "We would like to have a full auditorium to show support and appreciation for all the hard work done by the band students during the year," said Jones.

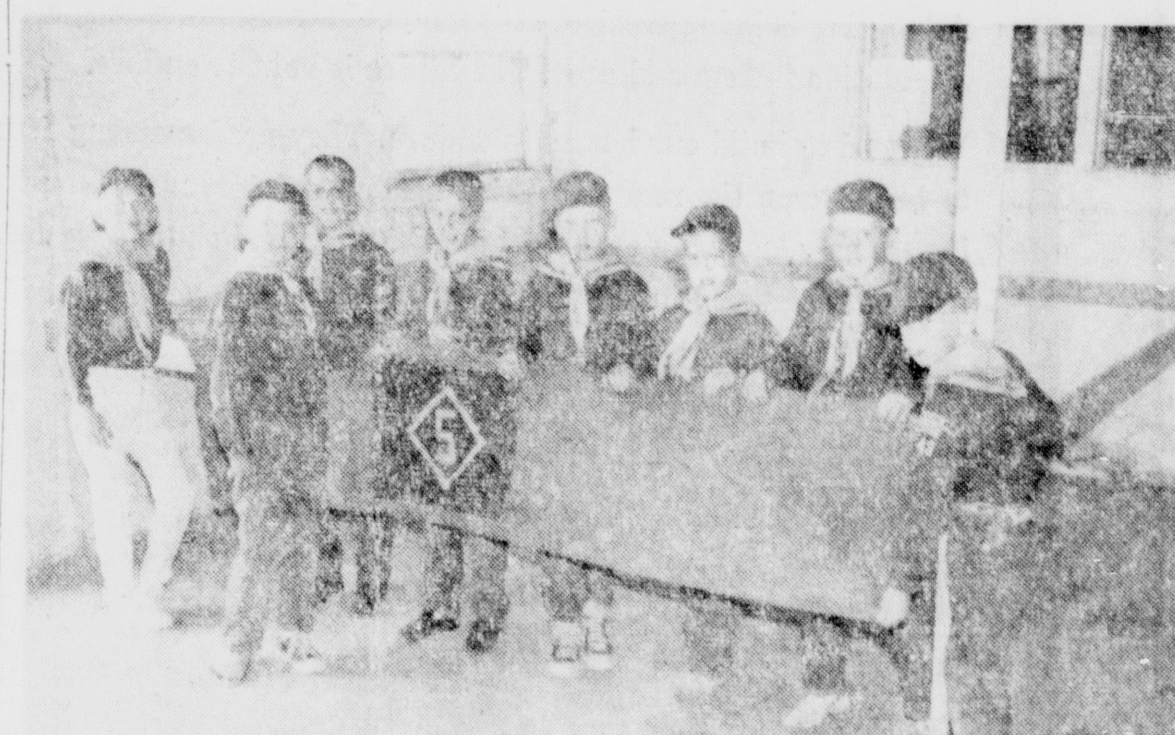

## HHS COACHES TO OPERATE LOCAL POOL

The Hamlin Foundation, governing group for the Hamlin Swimming Pool, met Monday evening in the office of the Hamlin Board of Community Development to make plans for the upcoming swimming season. The Foundation is composed of one representative from each of the 16 civic clubs in Hamlin.

New officers elected include Dewey Nunley, president; Lelton Clifton, vice president; and Mrs. B. O. Bell, secretary-treasurer. Jerry Larned and Sam Walter, coaches in the local schools, were selected to be the operators. They are planning a complete program of swimming activities.

A general clean-up is planned as the pool will be cleaned and painted and the grounds will be cleaned. Other improvements will be made in the ladies' dressing room and the entrance to the dressing rooms will be changed.

The children's wading pool will be closed. Benches are being donated by local businessmen to be used at the pool.

GETTING READY FOR SATURDAY'S SCOUT EXPOSITION—Members of Den 5 of Pack 43 are pictured as they prepare to decorate their booth for the Scout Exposition to be held from 2 to 5 p.m. Saturday in the Pope Building. Each den and each patrol of Boy Scout Troop 43 will have a booth to show the various phases of the Scouting program. Pictured above are, left to right, John Stalleup, Gary Batchelor, Guy Clifton, Eddie Farmer, Bryce Fowler, Jim Clifton and Price Bryant. Den mothers are Mrs. George Batchelor and Mrs. Edd Farmer.

## First Baptist Junior Choir Wins State Sweepstake Award

The Junior Choir of the First Baptist Church received a Superior rating at the State Junior Choir Festival held in Wichita Falls last Saturday. This is the highest level that can be received.

Mary Lois Patterson was guest flutist for the entire festival. Others making the trip were Judy Fitzgerald, pianist, Davis Weaver, Charlie Shira, Joey Duncan, John Hix, Sandra Payne, Beth Craig, Connie Kim, Sharon Townley, Albee Lovell, Donnelle Hill, Jeannette Brown, Lynn Gabriel, Marcia Steele, Dwayne Miller, Tony Lewis, David Riddle, Darrell Craig, Leldon Clifton, Helen Howard, Denise Preston, Susan Patterson, Barbara Price, Patty Patillo, Kathe Christian and Mary Wallace.

Adult sponsors and those furnishing transportation were Mmes. Ruby Weaver, Elbert Payne, V. M. Wallace, Leldon Clifton, A. G. Miller, John Howard Jr., Garland Preston, Dr. and Mrs. Patillo, Ed Lewis and S. L. Tate Jr., director.

All choirs combined for the closing concert program.

## Sunset Baptist Calls Rev. McLellan As Pastor Here

The Rev. Robert McLellan of Stamford has accepted the call as pastor of the Sunset Baptist Church and assumed his duties this week. This is his first pastorate.

Ordination services were conducted for the Rev. McLellan Sunday afternoon at the East Bethel Baptist Church in Stamford. Participating ministers were Rev. James Woods of Aspermont, Rev. Harold Johnson of Clyde, Rev. James Rogers of Stamford, Rev. James Walker of Abilene, and Rev. C. J. Moore of Altus, Oklahoma.

The Rev. Moore gave the charge and the ordination sermon.

A resident of Stamford since 1948, the Rev. McLellan has been employed at West Texas Utilities for the past four years. He and his wife, Norma, have three children, Jerry, 11, Larry, 10, and Kathy, 2. They plan to move to Hamlin at the end of this school term.

## Flower Shop Sets Open House May 4

The Hamlin Flower Shop will have open house Saturday in celebration of the complete remodeling of their building. Coffee and punch will be served all day and there will be gifts for everyone with registration for special door prizes.

Mrs. H. W. Madden and Mrs. Billy Joe Wilson, owners and operators of the shop, have been in business here since 1956.

The interior of the building has been completely remodeled with a new ceiling, floor, light fixtures, display cases, and a new heating and cooling system. The outside front of the building was changed.

Several new lines of merchandise have also been added

## HERALD TO PRINT HALF DAY EARLY NEXT WEEK

Next week's issue of the Hamlin Herald will be published one-half day early, therefore all deadlines have been moved up by one-half day.

## Graveside Rites Held Saturday for Lawlis Infant

Graveside rites were held Saturday afternoon at Hamlin East Cemetery for Terry Joe Lawlis, infant son of Mr. and Mrs. Calvin (Bud) Lawlis of Anson. Officiating ministers were the Rev. James Woods, pastor of the Central Baptist Church in Aspermont, and the Rev. Frank Codington, pastor of the Neimda Baptist Church.

The baby was born at Hamlin Memorial Hospital April 24 and died there early Saturday morning.

Survivors include the parents; one brother, Ricky Hal, of the home; maternal grandparents, Mr. and Mrs. Joe Bonds Jr. of Hamlin and the paternal grandmother, Mrs. John Lawlis of Roby; the great grandparents, Mr. and Mrs. Gatis Rich of Mt. Vernon, Mrs. Jones of Levelland, and Mr. and Mrs. Joe Bonds Sr. of Hamlin.

## Merkel Pair Take Top Honors in Bridge Tourney

Results of the Saturday bridge tournament sponsored by the Hamlin Duplicate Bridge Club have been announced by the reporter for the club, Mrs. Starr Inzer.

Mrs. Floyd Briscoe and Mrs. W. O. Willbanks were first during the afternoon session.

Roy Dalziel of Merkel and Lt. John Potter of Dyess Air Force Base were first at the night session and also won the first place trophy for the overall sessions.

Second place overall trophy was won by Mrs. Raymond Bishop and Mrs. Ed Jay, both of Sweetwater.

Mrs. M. L. Smith and Mrs. W. L. Hunter Jr. were winners of the third place overall trophy.

The tournament was held in the primary cafeteria with the first session at 1:30 and the second session at 7:30 p.m. following the dinner.

Proceeds of the tournament, attended by 54 persons, will go to the American Contract Bridge League Charity Program's two designated beneficiaries, the Institute of Logopedics and the National Multiple Sclerosis Society.

## Miss Robertson Wins Fire Poster Contest at School

During the regular assembly program at Hamlin Junior High School Wednesday morning, C. L. White, Hamlin Fire Chief, presented awards to winners of the Fire Prevention Poster contest, which was conducted earlier in the year.

Revonna Kay Robertson, 8th grade, received first place; Becky Martin, 6th grade, second place; and Sally Carlton, 7th grade, third place.

Their posters and others chosen by Mrs. C. Weldon Griggs, junior high art instructor, were sent to Austin to be judged in state competition on May 1. Judging is on the basis of originality, neatness, and artistic ability.

The local contest was sponsored by the Hamlin Fire Department and on the state level by the State Insurance Commission.

Local judges were Mrs. E. N. Jenkins, Mrs. S. C. Ferguson and Phil Dye.

## Rotan Minister To Hold Church of Christ Meeting

Loy Mitchell of Rotan will hold a series of gospel meetings at the Hamlin Church of Christ May 5-12. The Sunday services will be at the regular time. Week day services will be at 7:30 p.m. Thomas E. Cudd, the local preacher, will preach at Rotan both Sundays of the meeting.

Mr. Mitchell, a native of Lawrence, Kansas, graduated from Lawrence High School, after which he attended Central Christian College in Bartlesville, Oklahoma. He completed the B. A. Degree at Abilene Christian College in 1958. At present he is studying toward his M. A. Degree at ACC.

He and his wife, the former Donna Taylor, have three children, Stanley, 6, Nancy, 4, and Marcia, 1.

Before moving to Rotan he preached for four years in Southern Rhodesia, Africa, and they plan to return to that country in 1964. He has also preached for churches at Wilmington, Kansas; Centralia, Oklahoma; Timber Hill, Oklahoma; Skiatook, Oklahoma; Altamont, Kansas; and Kamay, Texas.

## Officer Installation Set Today by P-TA

The Hamlin Parent-Teachers Association will meet today (Thursday) at 4 p.m. in the Primary Cafeteria for the closing meeting of the year. New officers will be installed. Theme for the meeting is "Dedication through P-TA Service."

Entertainment will be presented by the third grades.

A social hour will follow the meeting.

## Baseball Sunday

Crains Crankshaft Grinders defeated Hamlin's nine Sunday in a double header, 7-1 and 7-4. These two teams will meet again this Sunday at 3:00 at the local ball park.

## SCOUTS TO EXHIBIT CRAFTS AND SKILLS HERE SATURDAY, 2 TO 5

The Boy Scouts of Troop 43 and the Cub Scouts of Pack 43 are making final preparations for the annual Scout Exposition to be held Saturday in the Pope Building, 111 South Central, formerly occupied by Joe Hudspeth. The various booths and displays will be open to the public from 2 p.m. until 5 p.m. The booths will be a representation of the work done by the scouts. Guy Weaver is local chairman.

Tickets are 50c each and may be purchased from any Cub or Boy Scout. Children of grade school age will be admitted free with their parents.

The boys are working toward prizes for the ticket sales. The prizes range in value from an Exposition patch for the sale of five tickets, to a trip to "Six Flags" for the sale of 150 tickets. Weaver stressed

the importance of the support of the Exposition and urges citizens of Hamlin to purchase their tickets from the boys rather than at the door so they will receive credit for the sales.

The Scouts will be actively demonstrating and explaining to the public the varied skills and interests of the scouting program.

Booth exhibits for the Cub Scouts will include: Cubbing At Home, Den 1; Paper Craft, Den 2; Collections, Den 3; Den Games, Den 4; Basket Weaving, Den 5; Handicraft, Den 10.

The Scout Patrol demonstrations will include: Cooking, Hawk and Wolf Patrols; Physical Fitness, Rattlesnake Patrol; First Aid, Beaver Patrol; and Knot Tying, Eagle Patrol. They will also have a complete camp site erected, but this will not be judged. It is for demonstration only.

Scout dads and the Hamlin Jaycees erected the booths using material furnished by Rockwell Bros. Lumber Company. The Jaycees will also operate the concession stand and turn over the profits to the scouts, to be equally divided between the Cub and the Scouts.

All proceeds from the Exposition will remain within the Chisholm Trail Council, of which Hamlin is a part.

A 40 per cent commission from the ticket sales will be returned to the local units. The Council will pay all expenses for the construction of the booths, not including the decorations. The remainder of the proceeds will be given to Camp Tonkawa, which is used by the local scouts each summer.

## Camp Fire to Hold Bake Sale Saturday

A Bake Sale, sponsored by the Camp Fire Leaders Association will be held Saturday beginning at 9 a.m. in front of McDonald's Department Store.

The Sale is a part of the fund raising drive for the Camp Fire program, and proceeds will be used to pay off debts following the purchase of the two lots adjoining the Blue Bird Hut and the paving of the street in front.

If anyone would like to order a cake, pie or candy in advance call SP 4-1628, SP 4-1771 or SP 4-1574.

Another sale will be held on May 11.

## MAYOR SETS MAY 6-11 FOR CLEAN-UP

Residents are again reminded that clean-up week is only a few days away as May 6-11 has been set aside for this special week by Mayor John V. Howard Jr.

In a proclamation issued here last week designating the clean-up period, he said, "The cooperation of every man, woman and child is necessary to make a success of this project."

He also stressed the importance of cleanliness and its importance to the health and beauty of the community.

Special pick ups will be made by the sanitation department on May 13 through 18. It has also been noted that the trucks will not follow a set routine for the pick up so citizens should have all trash ready on Monday and not wait until the truck is in the neighborhood to get it ready.

## COFFEE SATURDAY TO HONOR TATE MAY FOR ANNIVERSARY

May 5, 1963, will be an important day in the life of Tate May, chairman of the board of directors of the Farmers and Merchants National Bank, as it marks the 50th Anniversary of his career in banking in Hamlin.

In honor and recognition of the occasion, the bank will host a coffee Saturday morning from 9 to 12 a.m., during regular banking hours.

Mr. May was born September 21, 1896, in Sumter, Alabama. His father, M. P. May, was engaged in the mercantile business in Cuba, Alabama.

He came to Hamlin in 1907 to make his home with his aunt, Mrs. J. W. Ezell and Mr. Ezell. He attended Hamlin Public Schools and on May 7, 1913, he started to work as office boy in the First National Bank which was located at the bank's present location.

In September, 1919, he went to Fort Worth and worked for the Continental Bank and Trust Company for a short time. Later that year, in the fall, he returned to Hamlin and was employed as assistant cashier in the First State Bank and his uncle, Mr. Ezell, and other associates. Mr. May was later elected as cashier. The bank was located in the present City Hall building.

In 1925 the First State Bank was nationalized and received a national charter as the Farmers and Merchants National Bank.

The First National Bank was purchased in 1934 by the Farmers and Merchants National which continued to oper-

ate in the same location until 1950.

Mr. May elected president of the bank in 1944 following the death of his uncle, Mr. Ezell. At this time W. C. (Ted) Russell was elected vice president. Russell had been associated with the bank since 1919 and at this time he and Mr. May purchased a major interest in the bank from Mrs. Ezell.

After extensive remodeling the bank moved into the present building on the corner of Southwest Third and South Central and Mr. May was to work again in the same location as he had in his early youth.

Mr. May continues to take an active interest in the bank (Continued on Back Page)

There has been three very interesting programs at the high school auditorium this week. The first was on Wednesday night when the teachers and pupils under the direction of Mrs. Neff of the Music Department and Miss Culbertson of the Expression Department presented a benefit number, called "College Days."

Thursday morning five departments of the school was represented in the weekly chapel Program. Thursday evening at eight thirty the Music Department gave a very elaborate program free to all.

In as much as there has been some rumor out that our school term would be cut short the Board had a meeting on the 13th inst. and went thoroughly over the Status of the various funds and money that we now have and will get later, and find that our Finances are in better shape than they have been for some time, owing to the fact that we have succeeded in the past few months in collecting some \$3500.00 of delinquent taxes and will continue to collect more yet. We therefore state that our present term will run the entire Nine Months with a possible shortage of Two Weeks.

## GOING UP...

A building is being erected. It is made of strong materials, steel and concrete. The foundation is firm and deep. The edifice is built to endure.

We need to build our homes to endure. They need a strong foundation. They need to be built on the rock of Christ. Psalm 127:1 reads, *Except the Lord build the house, they labour in vain that build it.* Attend church regularly that your house may be instructed in the ways of the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## LOCAL FIFTH GRADE TEACHER GIVEN P-TA LIFE MEMBERSHIP

Mrs. Earl Brown, fifth grade teacher here, was one of five persons to receive life memberships in the Texas Congress of Parents and Teachers at the district conference held here last Wednesday at the First Baptist Church.

Mrs. Brown has been an elementary teacher for 33 years. She has taught the fifth grade in the Hamlin schools for 16 years.

A native of Mt. Vernon in Franklin County, Texas, she attended school there and was graduated from East Texas State Teachers College in Commerce. This being a sub-college, she was able to get a certificate to teach following graduation. She started her teaching career at the age of 19 in an elementary school in Wood County.

She received a bachelor's degree from McMurry College, Abilene, and then in 1955 she received her master's degree, also from McMurry.

The former Leone King, she was married to Earl Brown in Wood County in 1928. In 1929 they moved to Jones County where Mr. Brown started farming at Neinda and Mrs. Brown began teaching in the rural schools in the Hamlin area. She taught in Boyd Chapel, Carpenter's Gap, Wise Chapel and Flat Top.

Mr. Brown was bookkeeper for the Hamlin Farmer's Co-op Gin of Hamlin for 12 years.

They are members of the First Methodist Church and Mrs. Brown is active in the Business and Professional Women's Club. He is a mem-

The Browns have one son, Dr. W. D. Brown, who is associate professor in the University of California, Berkeley, California. His wife, Dr. Alice Brown, is employed with the State Food and Drug Commission there.

Mrs. Brown's father, W. S. King, a retired farmer, lives with the couple at 151 N. W. Ave. J. Her mother died in 1942.

Although a full schedule leaves her with limited leisure time, she enjoys cooking and reading as a hobby.

### Rogue to Show 'To Kill a Mockingbird'

An important milestone in the career of film star Gregory Peck took shape at Universal studios when Peck starred in the Pakula-Mulligan production, "To Kill a Mockingbird," based on Harper Lee's Pulitzer Prize novel.

His performance as "Atticus Finch," the Alabama lawyer and widower who teaches the pitfalls of injustice and prejudice to his two growing children, marks the first time in 31 starring motion pictures that Peck has appeared on the screen without any romantic visa-vis. Neither wife nor sweetheart will share a single scene with him in "To Kill a Mockingbird," scheduled to open Sunday at the Rogue Theatre.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

Every one out this way is very happy over the rains which fell Friday, amounting to two and two tenths inches, then another two tenths fell Sunday morning early, giving us a good wet earth once again.

The high wind did some damage around over the community, from what we can learn Mr. and Mrs. Joe Ford were hit the worst, their barn and house both receiving extensive damage. Several old buildings were blown down, Woodrow Goodwin received some damage to his trailers and planter, the trailers being blown into his tractor and one into the house.

Having been gone over the week end, this reporter failed to get much of the news this week, but it was quite a shock to learn on Sunday, the pastor of the Fairview church, Rev. Derrel Lewis, had resigned as pastor. Since details are lacking, we hope to be able to report more about it next time.

Mr. Fuqua, father of Mrs. H. L. Ford, visited with them last week. Mr. Fuqua lives down Waco way.

Mr. and Mrs. E. A. Henry had quite a lot of company last week, Monday, Mrs. Henry's sister, Mrs. Obie Wright of Rotan, visited with her. Tuesday, they had Mr. and Andrews, then over the week end their son, Mr. and Mrs. W. C. Henry and daughter, from Elgin was with them. Sunday visitors were Mr. and Mrs. Ed Verner and Mrs. Mary Sue Henry, all of Rule.

Linda Goodwin took part in the recital of Mrs. L. B. Baker's pupils last Tuesday night, held in the chapel of the First Baptist Church.

Mrs. Woodrow Goodwin and Linda, Mrs. Elmer Joiner went to Carlsbad, New Mexico, Saturday and returned Monday. They visited a sister, Mr. and Mrs. Elmer Smith, also while there visited with a niece, Mr. and Mrs. Andrew Rice and children, which included a brand new son.

Enroute to Carlsbad they went by Andrews and visited with Rev. and Mrs. Doyle Combs and children, a while Saturday, Rev. Combs was in the process of ending a weeks revival in his church, the Calvary Baptist, in Andrews. They also visited with a nephew of the Goodwins in Andrews, Mr. and Mrs. Orval Finley and boys.

Mrs. Flavel Holmes is in Midland this week helping to entertain the little new grand daughter, Melody Ann Holmes,

daughter of Mr. and Mrs. Jimmy Holmes.

Mrs. Raleigh Bond attended the recital of Mrs. Baker's piano pupils, Tuesday night.

The old home place of the Herbst family has sold again, this time to John Green of Hamlin owner of the Dodge Motor Company.

Rev. and Mrs. Derrel Lewis and children, were dinner guests of Mr. and Mrs. Fred Rosenbaum Sunday.

Mr. and Mrs. Winson Gray visited with Mr. and Mrs. Otto Stenke, of the old Dovie community, Sunday.

Mrs. Bill Newland is spending this week in Pasadena, Texas, with her daughter and family.

Several from out our way, Mr. and Mrs. Raleigh Bond, Mr. and Mrs. H. L. Ford and Mr. and Mrs. Winson Gray, attended the singing at Tuxedo last Saturday night.

### Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

DOUBLE RING CEREMONY HERE  
UNITES PHYLLIS HOLLIS, S. L. RACKLEY

Mr. and Mrs. Sammy L. Rackley are making their home in Rotan following their marriage here April 20. The 8 p.m. double ring ceremony was read in the Hamlin Foursquare Church by the pastor, the Rev. Spencer L. Liles.

The bride is the former Phyllis Marie Hollis, daughter of Mr. and Mrs. S.C. Hollis. The bridegroom is the son of Mr. and Mrs. Martin Rackley of Rotan.

Mrs. Marvin Carlton was organist and De Gwen Sanderlin Parsley was soloist.

Yvonne Hollis of Lubbock, cousin of the bride was made of honor. Bridesmaids were Mrs. Jerry McCright of Roby, cousin of the bride, and Glenda Wright.

Debra Sue Hollis, sister of the bride, was flower girl. The bridegroom's brother, Gary Martin Rackley of Rotan was ring bearer.

Corky Taylor of Rotan was best man, Buch Holland, cousin of the bride, and Bill Johnson were groomsmen and ushers.

Candlelighters were Marilyn and Carolyn Harrison. Mr. Hollis presented his

daughter in marriage. She wore a gown of white bridal satin. The fitted bodice featured a scoop neckline outlined with Chantilly lace. An overskirt of imported veil accented the full skirt which fell into a chapel length train. Her head-dress was a jeweled crown with a veil of French illusion edged with Chantilly lace. Her bridal bouquet was a white orchid surrounded with Frenched carnations.

The made of honor's shawl dress was of white cotton brocade. She carried a long stemmed white carnation. Her head-dress was green and white designed designed as a large rose.

The bridesmaids wore sheath dresses of red satin brocade with red silk organdy overskirts. They wore white floral headpieces and carried long single red carnations.

The reception was held in the home of the bride's parents. Members of the houseparty were Mmes. Donald Young, Bill Johnson, Lester Hollis of Lamesa and Pearce Holland.

For a trip to Palo Duro Canyon State Park near Canyon, Texas, the bride chose a red white and blue linen dress and white accessories.

The bride is a 1960 graduate of Hamlin High School where she was an honor student, active in the band, pep squad, Future Homemakers of America, the Library club, and the annual staff. She is now a member of the Hamlin Business and Professional Women's Club. She attended Texas Tech and is employed by Carl Murrell Chevrolet Co. Rackley attended Rotan High School where he was active in football and baseball. He is now employed in Rotan by White's Well Service of Sweetwater.

Mr. and Mrs. Rackley, the bridegroom's parent's, hosted an informal reception at the church following the rehearsal Friday evening.

Audition for Guild

Nine piano students of Mrs. J. W. McCrary participated in the National Piano Guild Auditions Saturday at Hardin-Simmons University in Abilene.

They received local and district honors with excellent ratings, according to the judge, Miss May Etts of New York City.

The National Guild of Piano Teachers was organized at Hardin-Simmons in 1925 by Dr. Irl Allison Jr. This year 60,000 piano pupils all over the United States will participate in this event, receiving certificates and gold pins. Also, they will be given a one year membership in the National Fraternity of Student Musicians.

Local participants were: Karen Jackson, Reba Jackson, Mark Madden, Mike Owen, Mignon Williams, Latrese Williams, Denise Preston, Susan Wilder and Fodie Kae Sonnenburg.

Miss Jan Rogers,  
Max Rackley Set  
Okla. Wedding

Mr. and Mrs. R. W. Higdon announce the engagement of their daughter, Miss Jan Rogers, to Max Rackley of Oklahoma City. He is the son of Mrs. John W. Rackley of Hollister Oklahoma and the late Mr. Rackley.

Wedding vows will be exchanged June 1 in Oklahoma City.

Miss Rodgers is a graduate of Hamlin high school and Bethany, Nazarene college, Bethany. She is a teacher in the Oklahoma City public school system.

Mr. Rackley graduated from Hollister high school and attended Cameron college. He is self-employed in Oklahoma City.

Carol Brown and  
James Lafler Wed  
In Abilene April 12

Carol Brown, daughter of Mr. and Mrs. Billy Ray Brown of Abilene, and James Lafler, son of Mr. and Mrs. Frank Lafler of Hamlin, were married April 12 in the home of the bride's parents.

Attendants were Janis Wilgus and Doug Butler both of Hamlin.

The bride, a former resident of Hamlin, was employed at the Rogue Theatre before moving to Abilene.

Lafler attended Hamlin High School and served two years in the Navy. He is now employed with the M & K Railroad and they are making their home in Waco.

First Baptist WMU  
Plans Anniversary  
Program Monday

The Woman's Missionary Union of the First Baptist Church will have a special 75th Anniversary program Monday evening for members of the Girl's Auxiliary, their mothers, and other guests. The W. M. U. members will be in costume, wearing dresses from the era

of 75 years ago, to emphasize that the W. M. U. work is 75 years old this year.

The covered dish dinner will be held at 7:30 p.m. followed

with birthday cake. Music, using song hits through the years, will highlight the entertainment.

A display, "Among Our Surviv-

ents," will be on exhibit showing pictures, materials and projects of the past.

All women of the church are invited.

## JACK HAMES CONDITION BETTER BUT HE MUST REMAIN IN BED

Jack Hames' condition is considered much improved, according to reports received last week, although he will require a longer convalescent period than first predicted. He was severely injured in an accidental fall near Midland February 8 and was hospitalized there until March 5.

Since that time he has been confined to bed at his home. His injuries included a broken hip and back, fractured pelvis and broken left arm and leg.

Hames returned to the Midland Memorial Hospital Wednesday for x-rays and examinations to determine his present condition.

According to Mrs. Hames, the broken bones are mending although his back is not completely healed and he must remain in bed for at least another three weeks.

Since Hames is not able to sit up he was driven to Midland in a station wagon loaned to them by Lawrence Chevrolet of Anson and driven by Lloyd Davis of Aspermont. Mr. and Mrs. Hollis Madden let Mrs. Hames use their station wagon for the return trip Saturday.

A total of \$560 has been contributed to a fund, sponsored by the Hamlin Herald, to assist with family expenses until Hames is able to return to work.

Three of the Hames' five children will enter hospitals within the next six weeks. Two of the girls will be admitted to a hospital in Fort Worth May 15. Deborah will undergo surgery for bone tumors and Kathy will receive

corrective treatment for deformity of her legs. Patty, who was critically burned last summer, will return in June to the Burn Center in San Antonio for further plastic surgery.

Hames will have more x-rays at the end of the three week period. "Then possibly he will be allowed to be up with the aid of a back brace," said Mrs. Hames.

### Baptist Youth Rally Planned Saturday

The Jones County Association Youth Rally will be held at Hanna Baptist Church Saturday evening at 7:30.

A special program is being planned which is directed to senior high school students. All seniors are urged to attend. The group will meet at the First Baptist Church at 7 p.m. to go to the meeting.

Gold Coast, West Africa, is known as the "White Man's Grave."

**Anson Man Named Area Federal Crop Insurance Rep.**

Charles T. Rust of Route 3, Anson, was recently appointed as county representative for

the Federal Crop Insurance Corporation. It was announced today by State Director Ben A. Jordan, Jr., of College Station.

Following his appointment as Fieldman, Rust attended a training meeting in Dallas, to discuss improved, faster methods for making crop loss payments to insured farmers in the event of disastrous damage. It is a program of the U. S. Department of Agriculture offered to help protect their big crop production investment against all such risks as drought, wind, hail, insects, freeze, excessive moisture, heat and many others.

### Brush Control Demonstration Set

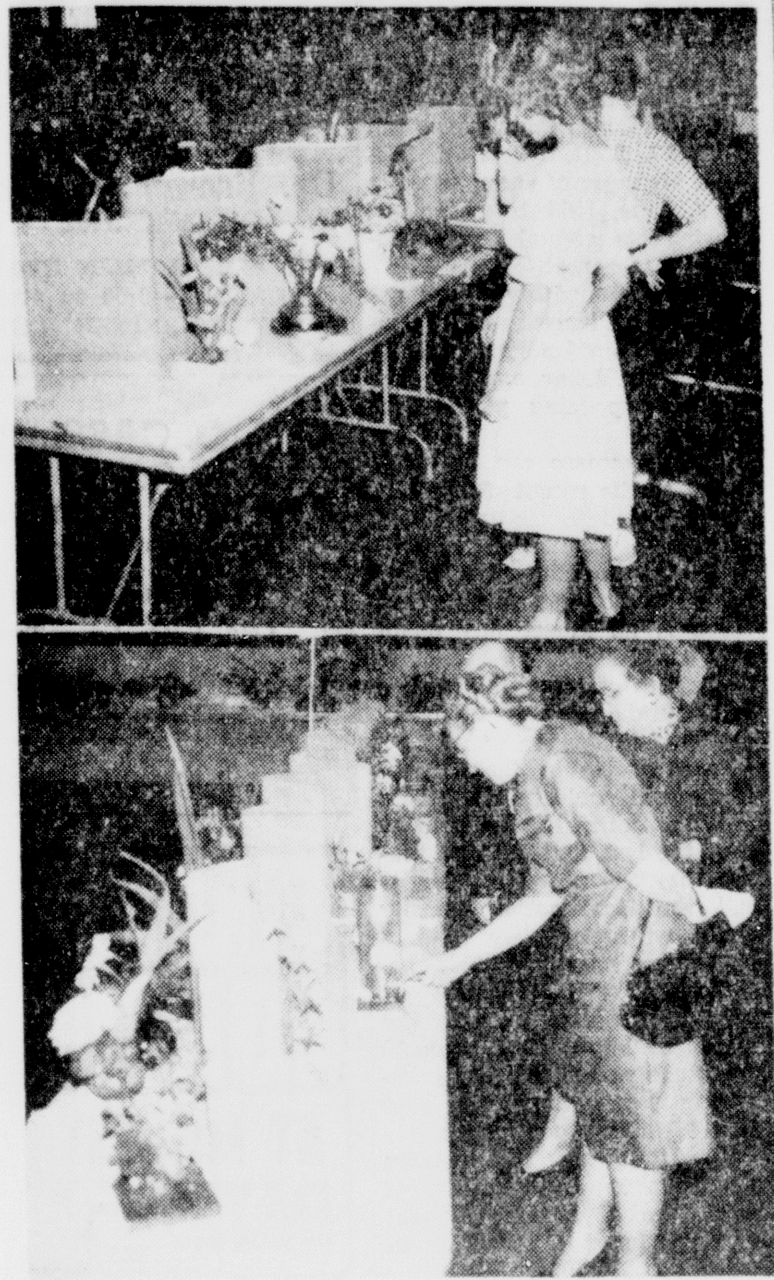

There will be a Brush and Prickly Pear Control Demonstration on the Woodrow Simmons place one mile east of Anson at 9:00 a.m., Friday, May 3, according to information this week by County Agent Kirby Clanton.

## Cattle Prices to Remain Down Says Market Specialist

College Station—The recent drop in fed cattle prices has caused considerable concern among cattlemen as to the prospects for the near future, says Ed Uvacek, livestock marketing specialist with the Texas Agricultural Extension Service. The average weights of cattle slaughtered under federal inspection so far this year, have been the heaviest since early 1961. This was caused by the low number of cows slaughtered along with heavier weights of fed cattle coming from feedlots, explains Uvacek.

Even though the nation's population and income levels continue, the effect is not enough to offset the future increases in beef supplies.

Marketings of fed cattle will be very heavy in the West and the Corn Belt during the next three or four months, he says. The April-June quarter should be up about 10 percent from levels of a year ago.

Uvacek says that forecasts indicate strengthening fed cattle prices in the West during the late summer and fall.

In view of this situation, feedlot management should consider holding down capital investments and should market fed cattle as soon as they reach the desired grade, advises Uvacek.

## OLD GLORY ...

By SHARON LEVERETT

### COMMUNITY

Welcomed rains fell in the Old Glory area Friday and Saturday. Amounts that were reported varied from 2 to 4 inches. The first rains that fell Friday afternoon were hard and quick and put out much needed stock water. These rains were accompanied by strong winds though and loose materials were blown about. Some things that were not loose, such as outhouses and trees were also blown over. From about 4 p.m. until nearly 7 it was nearly as dark as night and with the electric current disrupted there was little that could be done except to watch the storm. The hard rain did much damage to furrows and terraces. Most of the water had soaked down by the next morning. Additional showers fell during Saturday in some places and Old Glory had a nice shower early Sunday morning.

The School Board members, their wives and other school personnel entertained the teachers and their wives and husbands with a picnic supper Tuesday night. The Yard Party was held at the Garrett Spitzers'.

Delicious barbecue chicken, potato salad, beans, home-baked bread and homemade pies were served to the thirty adults present. Dominoes, 42 and just visiting were enjoyed following the meal. The occasion was the final Faculty-Trustee Party in the capacity as trustee for Ansel Sawyers who did not seek re-election. His last child graduated last year and thus terminates a tenure of thirteen years of continuous service to the community as a member of the Board of Trustees. Mr. Sawyers will be replaced by Mick Myers who was elected last month.

Mrs. Beno Herttenburger was hostess for the regular meeting of the Variety Club at her home last Thursday, April 23 at 2 p.m. Canasta was enjoyed by the eight members present. A delicious refreshment plate was served by the hostess. The next meeting will be with Mrs. Mick Myers.

SCHOOL  
Fun Festival plans that started some time back have been shifted into high gear for final preparation. Each class is working diligently to make its booth profitable and worthwhile for an enjoyable evening. Food sales will start about 6:30 Friday and other booths will then be open.

There will be the Grab Box, the Country Store, A Bean Jar, Fish Pond, etc. All of these will add to the carnival atmosphere. Cake Walk and Bingo, sponsored by the Juniors and Seniors respectively, are considered the big events. The public is invited to attend. There is no admission charge. Door prizes will be drawn for and given away at 10 o'clock.

Remember: Friday night, May 3—Come on out to the Old Glory Fun Festival.

The Junior-Senior Banquet for 1963 is now past history.

The junior class, with their sponsor, Mrs. Cecil Klump, did a superb job in every little detail. The Western theme was cleverly presented, with unusual and colorful decorations.

Ceramic western pieces decorated the head table. Weather-beaten signs pointed to Boot Hill, Old Glory, Trails West, etc., and tumbleweeds were appropriately nestled around the bases of the signs. The food carried out the theme as barbecue beef, beans and potato salad were featured. Place Cards were individually done and most included a picture of the person.

The Trails West led to the Junior-Senior Spread in the Old Glory High School Territory. Trail Boss was Bullmoose (Donald) Boles. The invocation was given by Mr. Eddie Matthews, minister of the Old Glory Church of Christ. Welcome was given by Quickdraw (Terry) Sellers and the Response by Tenderfoot (Tim) Jennings.

Lopin' Larry (Quade) gave a humorous prophecy concerning the seniors and their trip which is planned to include Colorado and Arizona and points in between. Hopalong Helen (Lowack) gave the Last Will of the Seniors. Prairie Music included a pantomimed number by the Cowpokes (Bullmoose Boles, Quickdraw Sellers, Lopin' Larry, Deadeye Dalton and Bow-Legged Boles.) Then Deadeye Dalton (Gill) played on his guitar and sang several numbers.

Bernard Buie, of Stamford, presented a most interesting talk of history of the west, especially our own area. He very forcefully climaxed his talk with the sagey remark that "we inherited what we have but not what we are" and reminded the young folks and others present that we must appreciate our culture and conveniences.

The benediction was given by Tom Pritchard, teacher at Old Glory.

Old Glory 4-H'ers did themselves proud last Saturday at District Contest events at Wichita Falls.

In Junior level the following places were captured: first, Judy White, public speaking; first, Reva Letz and Judy Sander, vegetable preparation; first, Rita Baldree and Brenda Palmer, poultry marketing; second, Mike Baldree and team, poultry judging; second, Steve Letz and Weldon Spitzer, electric; fifth, Herby Wooldridge, tractor driving; seventh, Kenneth Jones and Jimmy Leverett, safety.

## Jones Residents Receive \$129,657 In S.S. Benefits

Monthly old-age, survivors and disability insurance benefits in Jones County now top \$129,657. R. R. Tuley, Jr., District Manager of social security in Abilene, said today on releasing his annual county benefit data report.

The new monthly figure represents an increase of 12 percent in beneficiaries and 14 percent in dollar amount over the corresponding period last year.

"This increase can be attributed to the recent changes in the law and to the growth of our aged population," Tuley said. "As most of it is spent for food, clothing, and shelter, there is no longer any doubt that social security benefits are helping to stabilize the income and spending power of many residents in Jones County."

More people in Jones County, he said, could draw security benefits if they knew more about the law, and for that reason they are urged to visit or call the local social security office whenever they have a question concerning their benefits or responsibilities.

As of January 1963, in the nation at large, more than 18 million beneficiaries were receiving payments at the rate of \$14.5 billion per month.

The following table shows the number and amount of each type of monthly benefit paid in Jones County, as of December 31, 1962.

## HAMLIN BOARD OF COMMUNITY DEVELOPMENT

## JONES COUNTY HISTORICAL COMMITTEE TO MEET MAY 14

A public meeting of all people of Jones County interested in the work of the Historical Survey Committee will be held Tuesday, May 14, at 7:30 p.m. in the district court room in Anson. Dr. Rupert N. Richardson of Abilene, president of the Texas Historical Survey Committee will be the speaker.

The Jones County Historical Survey Committee named by County Judge Leon Thurman met for organization April 16.

Members present were: Fred B. Moore, Sr., Hamlin; Bernard Buie, Stamford; Miss Hybernna Grace, Miss Arrie Barrett and Ed Sprowls, Anson.

Officers elected were: Bernard Buie, Chairman; Miss Hybernna Grace, Secretary.

It was pointed out at the meeting that every county has a unique history and Jones county is no exception. The county committee will be concerned with historic buildings, museum pieces, markers and records of the county, pictures of early buildings, etc.

"It is hoped that people throughout the county will become interested and will be willing to assist in making as

complete a survey of the county as possible," Mr. Buie said. The following committees are being considered:

1. Location of Jones County Historical Sites.

2. Location and Marking of War Veteran Graves in County. (Markers are available where Vet has no permanent burial site).

3. Financing of Jones County Historical Survey.

4. Committee on Gathering and Compiling Historical Information and Maps.

5. Overall committee on which items should first be attempted.

Miss Grace has been asked to serve as chairman of the committee "For the Location of the Proper Jones County Historical Sites, which should be marked and for the location Graves from the Civil War to date.

In a letter to Miss Grace the county chairman said: Dear Miss Grace:

In view of your unquestioned position as the best authority on the history of Jones County — it is a pleasure to ask if you would be able to serve as chairman of the committee "For the Location of the Proper Jones County Historical Sites, which should be marked, and for the location Graves from the Civil War to date."

## Wheat Meetings Planned for County Wheat Producers

A series of wheat meetings sponsored jointly by the local ASCS Office and the County Agent will be held in Jones County on May 6th and 7th, according to an announcement this week by Jones County Agricultural Agent, Kirby Clayton. These meetings are being held for the purpose of discussing the wheat referendum which will be held on May 21.

Meetings will be held according to the following schedule: Monday, May 6 Anson, District Court Room, County House 2:00 P.M.; Hamlin High School Auditorium, Hamlin 8:00 P.M.; and Tuesday, May 7 Stamford Delinting & Feed Co., Stamford 8:00 P.M.

Taking part on these programs will be Tom Hunter, Area Farm Management Specialist from Texas A&M College Extension Service; Brad Rowland, local ASCS office Manager and County Agent, Kirby Clayton.

All Jones County wheat farmers are invited to attend.

HONORED WITH DINNER HERE LAST TUESDAY Mrs. D. W. Boren, 18th District president of Parent-Teachers Association, second from left, was honored with members of the District Board of Managers at a dinner in the primary cafeteria last Tuesday evening. The dinner was sponsored by the Hamlin Board of Education. Pictured are left to right, Mrs. J. W. Miller, state vice president from San Antonio, Mrs. Boren, Fred B. Moore, Jr., president of the board, Miss Aleise Cline, guest speaker, and C. F. Cook, superintendent of schools. The dinner was held the evening before the district conference Wednesday in the First Baptist Church. Guests attended from Paduash, Stamford, Rotan, Abilene, Anson, Haskell, Lueders, Aspermont, Girard and others.

## BRUNDAGE—

—(Continued from Page 1)

Paint Creek watershed, the Hamlin Mayor saw a solution to his city's water problems and recommended the bonds be voted to provide a 12-inch water line from Hamlin to Stamford. This has assured the City of Hamlin an unlimited water supply from Lake Stamford.

Also, during his administration as mayor, Hamlin doubled the processing capacity of the filter plant and added meter shop equipment for cleaning and testing water. Radio telephone service for the control of pumping from Stamford was added. During the time Brundage served on the City Council, 38 blocks of six, eight and ten inch sewer line extensions were made. A 12-yard packer unit and quickway motorized equipment were added to the sanitation Department. One hundred and fifty street lights were added in new locations.

In addition to his many years of service as mayor and a member of the City Council, Mr. Brundage served as president of the Hamlin Rotary club, is a past president of the Hamlin Board of City Development, and a former member of the Hamlin school Board.

Mrs. Brundage is the former Charity Dunlap of Baird. They are the parents of one daughter, Mrs. Ralph Worley of Richmond, Washington.

Mr. and Mrs. Brundage have made no definite plans at this time for the immediate future.

Ned Moore, who assumed his new duties as the WFO manager in Hamlin on May 1, was employed by the company in 1941 and has been a resident of Hamlin for the past 16 years.

Born in Duncan, Oklahoma, in 1915, he moved to Albany with his family while still a small child. He attended the Albany Public Schools and was graduated from Albany High School in 1934 and attended Ranger Junior College. During his early life he worked on his father's ranch east of Albany. Before joining WTU, Moore worked in the Albany oil fields; worked for Southwestern Bell Telephone in Marlin as a serviceman; and returned to Albany in 1940.

His first job with WTU was at the Company's ice plant in Quanah. In June, 1942, he was transferred to Chillicothe where he worked as a serviceman until he joined the U. S. Army for service in World War II. Following his discharge from the Armed Forces, Moore returned to Albany where he engaged in the electrical appliance business for 1½ years and rejoined WTU in 1947 as a serviceman in Hamlin.

Active in civic affairs, WTU's new local manager is a past director of the Hamlin Rotary Club; president of the Hamlin Booster Club; and a director of the Board of Community Development; and secretary of Jones County National Foundation. He is a member of the First Christian Church.

Mrs. Moore is the former Ruby Pillans of Cross Plains. They were married in 1938 and are the parents of one daughter and two sons, Renee, now Mrs. Don Hyner, lives in Galveston where her husband is a medical student. The Hyners have a son, Michael, 3; and a daughter, Stephanie, 2.

Ned, Jr. is a graduate of Hamlin High School and is a sophomore student as McMurry College in Abilene. The younger son, Nick, is a junior student at Hamlin High School.

## John Norton to Give Paper at Meeting

John Norton, of Oklahoma City, Oklahoma, son of Rev. and Mrs. Joe Norton, is to give a scientific paper at the American Convention of Microbiologists at Cleveland, Ohio, on May 6.

The paper, entitled "Oxidation of D-Alanine by Cell Membranes of Pseudomonas Aeruginosa," was based on scientific research Norton did for his Master's thesis at the University of Oklahoma. The paper is co-authored by Dr. Glen R. Bulmer and Dr. John R. Sokatich of the University of Oklahoma.

Norton has previously given the paper at conventions in Kansas City, Missouri, and Stillwater and Tulsa, Oklahoma. It is soon to appear in the scientific journal, "Biogrimica et Biophysica Acta."

Norton is at present doing microbiological research at the University of Oklahoma Medical Center in Oklahoma City.

## NOSEY NEIGHBOR...

Employees of Howard City Drug honored David Painter with a going away party Tuesday evening. The barbeque dinner was held in the home of Mr. and Mrs. George Yantis in Clyde. Those attending were the honoree, Mr. and Mrs. C. L. Howard and Lisa, Mr. and Mrs. Watts Fletcher, Mr. and Mrs. Bobby Seifres, Mrs. Leona Stevenson and Steve, Mrs. W. C. Hargrove and Mr. and Mrs. Joe Fleckenstein. David, son of Mr. and Mrs. C. E. Painter, will be employed with the Southern Pacific Railroad but we were unable to learn just where he will be stationed.

Visitors in the home of Mrs. Etta Stevenson and Mr. and Mrs. Virgil Steele were Dr. W. B. Glass of Seminary Hill, Fort Worth, and his daughter, Lois Glass who is a Baptist missionary from Formosa. Miss Glass will return to her field of service following the convention in Kansas City, Mo. in May. Dr. Glass is a brother of Mrs. Stevenson and served as a Baptist missionary in China for about 40 years. His niece, Mrs. Addie Meadows will live with him while his daughter is away.

Mrs. J. C. Bailey and Mrs. Billy Carter visited Monday and Tuesday with their sister and family, Mr. and Mrs. Ray Smith at Cisco.

Mr. and Mrs. A. W. Jobe of Lubbock and their grandson, Steve, were week end guests of Mr. and Mrs. Dean Witt.

SP-5 Gloria Hulsey from Ft. McClellan Alabama was on

leave last week and visited here in the home of her aunt and uncle, Mr. and Mrs. Grady Brown, and also with Mr. and Mrs. LaFoy Patterson and other friends.

Barbara Griffin, Ann Kemp and Mrs. T. C. Rice from McCauley attended the state meeting of the Future Homemakers of America held in Dallas April 19. Ann was the voting delegate and Mrs. Rice is the adult sponsor.

Mrs. Aletha Carr has returned to the home of her daughter, Mr. and Mrs. T. W. McGuire, following an extended visit with another daughter in Borger.

Little Randy Dunn of Abilene spent this week in the home of his grandparents, Mr. and Mrs. Benny Ford.
